

Communication

Date	30/09/26
Team ID	SWTID-2026-4683
Project Name	EduGenie: Google Gemini Powered Learning Assistant
Maximum Marks	1 Mark

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the project lifecycle, including how updates, issues, feedback, and progress are managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Project Standup	Daily	WhatsApp / Direct notes	Dechen	Review daily progress, tasks, and immediate priorities.
2	Progress Update	Weekly	WhatsApp / Project notes	Dechen	Track completed work, pending tasks, and next steps.
3	Issue / Bug Discussion	As Needed	VS Code / WhatsApp	Dechen	Identify errors, discuss solutions, and record fixes.
4	Project Review	Bi-Weekly	Project documentation	Dechen	Review overall project progress, features, and documentation.
5	Final Demo Rehearsal	Once	Local application / Presentation	Dechen	Verify the application and prepare the final project demonstration.
6	Documentation Update	As Needed	GitHub / Project files	Dechen	Keep project documents, setup instructions, and deliverables updated.

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Understanding and resolving development/API errors during implementation.	Reviewed error messages, checked relevant project files, and applied fixes step by step.
2	Keeping project documentation aligned with implemented features.	Updated documentation after completing major project changes and features.
3	Managing multiple project deliverables and submission templates.	Maintained a checklist and prepared each required document separately for submission.
